Field Inv: - Home Ave from Boulevard to 230' east is only 18' wide. The remaining section of the street is 24' wide. Review of the files reveal conflicting signage on the southside of the street. Since the street could not accommodate parking on both side of the street & two-way traffic and also to rectify confusion, issued a v/o to make the south side of the street NPA & the northside of the street NPA where it is only 18' wide.

HOME AVENUE, SE.
